

Patient Responsibilities

- *Provide complete and accurate information to the best of his/her ability about his/her health, any medications, including over-the-counter products and dietary supplements and any allergies or sensitivities.*
- *Follow the treatment plan prescribed by his/her provider.*
- *Provide a responsible adult to transport him/her home from the facility and remain with him/her for 24 hours, if required by his/her provider.*
- *Inform his/her provider about any living will, medical power of attorney, or other directive that could affect his/her care.*
- *Accept personal financial responsibility for any charges not covered by his/her family.*
- *Be respectful of all the health care providers and staff, as well as other patients.*

COVID-19 Update

We'd like to thank you all for your patience and understanding these last few months. We continue to make our patients' safety our priority as we prepare for the new normal. If you have an upcoming appointment or need to come into our facility for any other reason please follow these guidelines:

- If you have any fever, chills, cough, sore throat, shortness of breath, loss of taste or smell, or any flu like symptoms, or if you have been around anyone known to have been tested positive for the virus, we may need to reschedule your appointment.
- We ask that you come alone to your appointment. However, if you absolutely need someone to drive you or were instructed to have someone be with you, then they will need to follow all the same guidelines listed above.
- We encourage you to bring your own reading materials as we are not setting out such items.
- Please be sure to wear a mask.

Thank you for your cooperation. Stay well.
